

# Warradale Primary School

Keynes Ave Warradale 5046 - (08) 8296 2678 - [dl.0933.admin@schools.sa.edu.au](mailto:dl.0933.admin@schools.sa.edu.au)

## From the Principal Friday 12 February 2021

### COVID update

Our school QR Code for visitors to sign-in is now active, replacing the current COVID Entry paper form. Please ensure you scan in using the code if entering spaces in our school, including the administration area. We are also asking that parents only enter classrooms by prior appointment with teaching or leadership staff.

### Colour Run - Friday 5 March

Please check-out Seesaw for information regarding our upcoming colour run, Friday week 6. Contact the front office if you are unable to download/print the fundraising record form from Seesaw. There is no requirement for students to raise any funds to participate, but any funds students and families do gather will greatly assist the further development of our yard areas. Please also be aware that it is not an expectation that students go out and purchase white clothes and/or shoes especially for the run - a white or light coloured shirt, white or dark shorts and old shoes will suffice.

### Term 1 planner

Reminder that our Term 1 planner can be accessed via our school website (by clicking the link at top of homepage).

### School football

An online survey has been posted to Seesaw regarding Auskick and school football. We are keen to gauge interest, with the view to establishing an Aussie Rules program at our school. Survey closes 3pm Wednesday.

### Governing Council

Please consider attending our Governing Council's AGM, 6pm Monday 22 February, to join the conversation about the governance of our school and the many exciting improvement projects we have on the go. Anyone interested in joining the council, must complete and return the application form to our front office by 4pm Monday 22 February.

### New faces

We are pleased to welcome some friendly new faces into our school community. Austin Harris and Harpreet Kaur (below left and middle) are supporting our transition to a new centralised ICT support model, while Kathryn Watters (below right) is providing administration and communication support to our administration team on Thursdays and Fridays.
