### Learning Conferences

If you haven't yet booked in for a Learning Conference, Monday 29 March to Thursday 1 April (week 10), please access the online portal or speak with your child's class teacher if you require assistance. This is a great opportunity to have a conversation with your child and their teacher(s) about learning goals and next steps. Conference slots can also be booked with our wonderful Specialist Teachers (Japanese, Music/Arts, Health and PE).

### Harmony Week, Monday 22 - Friday 26 March (Week 9)

Next week we will be celebrating Harmony Week. There will be a casual dress day on Friday where students can wear orange or traditional/cultural clothing, and a range of cultural activities for students to participate in and learn from. Our Harmony Murals will also be unveiled as part of the festivities.

### Capital Works update

Our capital works project has now been approved for progression to the "concept report" stage. Appointed architects, Grieve Gillett Andersen, will be on-site this Monday 22 March to develop an inventory of furniture and fixtures to inform on-going planning and costings around the project. We have also provided the project team with a copy of our Western Oval Nature Play Concept Plan so we can explore opportunities to integrate school-initiated projects within the broader scope of works. Once the concept report is finalised, we hope to be able to share the plans with our school community.

### NAPLAN Coordinated Practice Test

Our Year 7 students will complete a NAPLAN Online Practice Test next Thursday 25 March at 11.00am. This test will help us confirm our school's technical readiness to undertake the NAPLAN Online assessments next term in Years 3, 5 and 7.
