# Thank you

Thank you to all students, families and staff for your contribution to what has been a huge Term 1. Highlights included our first ever Colour Run, Harmony Week celebrations, establishment of our Student Ambassador Groups and class excursions to the Brighton Beach sculptures and Adelaide Zoo. We hope you all have a safe and restful holiday break.

### Mother's Day stall

On Thursday of Week 2 next term, students will have the opportunity to purchase a small Mother's Day gift for a special person in their life. The stall will be set up in the Gym and each class will be scheduled a time during the morning teaching period to visit with their teacher. Items will be priced between \$1 and \$6.

# **ANZAC Day Dawn Service**

Senior student leaders Olivia Lovejoy and Liam Ender have been selected to represent our school at the ANZAC Day Dawn Service to be held at Brighton Oval on Sunday 25 April (last Sunday of the holidays). Olivia and Liam will join student representatives from a number of other schools in our local area and lay a wreath on behalf of our school community as part of the official proceedings.

# **Holiday challenge**

At this morning's end of term assembly, I will be challenging all students to do something to help the environment over the holidays, with the help of a parent or caregiver. This could include:

- Collecting some rubbish on the beach or at your local park
- Constructing something out of recyclable materials
- Starting a home food compost
- Planting some fruit, vegetables or native plants
- Leaving the car at home and walking somewhere you would normally drive to

If you capture any photos or videos of your children having a crack at this challenge, please email them through to <u>Kathryn.Watters768@schools.sa.edu.au</u> with your child's name and class in the subject line.
