Governing Council - 7.00pm Monday 28 June (Week 10)

Communication

With Seesaw now being used very effectively by staff, students and families, we are looking to further streamline our communication cycle and provide more regular information about the learning happening in our school. From here on in, I will upload my Principal's update on a fortnightly basis (end of even weeks), complemented by a *Learning Update* on alternative fortnights that will provide insights and tips relating to learning and student development.

National Reconciliation Week

National Reconciliation Week (NRW) commences next week. This is a time for all Australians to learn about our shared histories, cultures, and achievements, and to explore how each of us can contribute to achieving reconciliation in Australia. Reconciliation Australia's theme for 2021, *More than a word. Reconciliation takes action*, urges the reconciliation movement towards braver and more impactful action. A range of activities are currently being planned for not only our students who identify as being Aboriginal or Torres Strait Islander, but also our broader student population and classes. If you want to learn more about NRW, head to the NRW website at <https://www.reconciliation.org.au/national-reconciliation-week/>.

Uniform

A Uniform Committee has been formed to conduct a general review of our school uniform, including supply and purchase arrangements. More information will be provided and feedback sought from parents/caregivers shortly. Thank you to those parents who have volunteered their time to this important committee and action.

Digital Technologies Action Group

Our newly formed Digital Technologies Action Group will meet for the first time this coming Monday. This committee will review the current state of play with regards to our digital learning environment and help develop a digital strategy to ensure our students and staff have access to world class digital tools and resources now and in the future. Thank you also to the parents who have volunteered to join this important consultative group.
