Welcome to new staff

I would like to welcome Ashlee Sawyer (SSO - Student Support Officer) and Michael Kilsby (ACEO - Aboriginal Community Education Officer) who have both commenced roles at our school recently. Ashlee has picked up some student support hours, while Mick will work with leadership and teachers on Fridays in support of our ATSI students and families. We wish Kiara Bootle (SSO) well as she leaves us to pursue other professional opportunities and Lionel Wilson (ACEO) who has taken some extended leave.

Capital works update

The Department for Education are still working with architects, engineers and builders to finalise the concept plans and timeline for our capital works concept. We hope to be able to provide a more detailed update in the coming weeks.

National Reconciliation Week

National Reconciliation Week (NRW) has provided some great opportunities for our students to celebrate our rich and diverse school community and learn about the histories, cultures, and achievements of our First Nation's people. In addition to a cultural excursion that took place on Tuesday for our students who identify as Aboriginal or Torres Strait Islander, all students in the school participated in a traditional smoking ceremony last Thursday and a number of other classroom and optional play break activities were also offered across the week. A full wrap of events and activities will be provided next week.

Credit Union SA Community Rewards

Our school has now officially commenced its involvement in Credit Union SA's Community Rewards program. Thank you to the Governing Council members, parents and students who volunteered their time for a photo shoot at the front of the school on Wednesday morning. If you have a Facebook account, please head to the link at [Warradale Primary Community Rewards FB](#) for more information and like/share to help raise awareness. The School Community Rewards program allows all Credit Union SA customers to nominate our school to receive an ongoing financial benefit for every Home Loan, Car Loan and Personal Loan product they have with them. It's fundraising without the effort, and most importantly, no obligation for staff, families and community members to personally get involved and/or use Credit Union SA's services. All funds generated through the School Community Rewards program will help us develop and upgrade our facilities to provide the best possible learning environment for our students. For more information or to find out how you can participate in School Community Rewards, you can contact our CUSA representative, Lucy Brooks, on 0428 787 230.
