Welcome to Term 4

At our whole school assembly on Monday morning, we welcomed students and staff back to what will be a very busy Term 4. As both our year 6 and year 7 students enter their final term of primary school, we are also preparing for the transition of our 2022 Receptions and their families.

New faces

Thank you to all students and families who have warmly welcomed Jo Green as our new front office administration officer. Jo will share a personal introduction in the coming weeks. We would also like to introduce Nori Koseki (pictured right). Nori is from China Prefecture in Japan, very close to Tokyo, and has been in Australia for 2 years working various jobs and volunteering in Primary and High Schools. Nori will assist Watt Sensei and students in Specialist Japanese lessons this term, providing valuable linguistic and cultural support in the fantastic LOTE program being developed and delivered at our school.

Student free day

Monday Week 3 (25 October) will be a student free day. Staff will be working on data analysis and 2022 improvement planning. Our OSHC service will be available to those who require it - please book early!

School closure day

Friday Week 6 (19 November) will be a school closure day. No school staff will be on site and our OSHC will not be open, as we are giving Capital Works personnel unimpeded access to our site.

NAPLAN Individual Student Reports

Report summaries for year 3, 5 and 7 students who sat the NAPLAN test in Term 3 will be sent home to parents/caregivers next week. NAPLAN is a single-point in time assessment that compliments school based grades and observations of student learning and progress. If you have any questions or concerns about your child's report, please contact their class teacher.
