

Warradale Primary School

Keynes Ave Warradale 5046 - (08) 8296 2678 - dl.0933.admin@schools.sa.edu.au

From the principal Friday 8 April 2022

TERM 1 KEY DATES & REMINDERS

Last day of Term 1 - EARLY DISMISSAL - 2.10pm Thursday 14 April (Week 11)

****Pupil Free Day - Monday 2 May (Term 2 Week 1)****

COVID-19 update

A letter from our new Chief Executive Martin Westwell has been communicated to families via Seesaw, outlining recent changes to reporting, management and testing processes. As a school community, we remain in a very fortunate position, in that we have not yet experienced the high case numbers and major disruptions that have impacted many other sites. We thank families for working with our teaching staff to conduct learning conferences over the phone, a modified process that has enabled these important conversations about students learning to take place, with reduced risk to all.

Term 2 staffing

Congratulations to our amazing Deputy Principal Sarah French who has accepted an offer to take up a temporary role as Principal at Pennington Primary School for Term 2. This is a fantastic opportunity for Sarah to further expand her skills, knowledge and experience, which will ultimately benefit our students and school community when she returns at the beginning of Term 3. A short-term vacancy to replace Sarah in our Deputy role for Term 2 has been externally advertised and a two person panel will assess applications early next week.

2022 camps

Parents/caregivers of Year 6 students have been asked to pay a \$100 deposit as a commitment to their children participating in a 4 night Kangaroo Island camp, Week 7 of Term 4 (we require a commitment from 40 students asap to secure our booking and proceed at the quoted price per head). Year 3 to 5 students will this year have the opportunity to participate in a 2 night Arbury Park Camp in their class groups, in either Week 1 Term 3 (Rooms 8, 9 and 10) or Week 7 Term 4 (Room 11 and Room 13's Year 3s) - more information to come.

Building works update

We are awaiting confirmation that preliminary asbestos removal and demolition works will commence on Building 2 (our old Resource Centre building) in the upcoming school holidays. This first stage of onsite work will also likely include trenching and cabling to relocate our main switchboard. We will provide further details as soon as they are communicated with us and look forward to this exciting major project getting underway!
