#### **\*\*GREAT NEWS re our capital building works project\*\***

Yesterday was a great day for our school community, with confirmation received that an additional \$800,000 of funding would be injected into our building works budget to reinstate two classrooms recently squeezed out of the concept. We will also be receiving a further \$230,000 to cover a complete upgrade of our bitumen courts. This equates to a total of \$1.03m in additional funding to improve our grounds and facilities. A massive thank you to all for your persistence, patience and support as we continue to work through this process, and a special shout out to Carol Douglas who has been absolutely relentless in her advocacy for our school and school community throughout. Carol's constant lobbying of and communication with key decision makers has been instrumental in helping us reach this positive outcome. We hope to have some architectural plans and external images of the revised concept to share with everyone soon and we are looking forward to on-site construction starting early in the new year.

#### **2023 class planning**

If you have any children in R-5 who will not be returning to Warradale Primary in 2023, please email [Jo.Green777@schools.sa.edu.au](mailto:Jo.Green777@schools.sa.edu.au)

#### **Hats and sun safety**

With the UV index slowly rising, please ensure your children have sun safe hats for outdoor learning and play. A small number of school hats are in stock and available for purchase from our front office.
