

Warradale Primary School

Keynes Ave Warradale 5046 - (08) 8296 2678 - dl.0933.admin@schools.sa.edu.au

From the Principal Thursday 3 November 2022

****Plans for our \$8.53 million school upgrade released****

We are excited to finally be in a position to start sharing initial concept plans for the \$8.53 million upgrade to our school.

The early plans detail key facility upgrades, including:

- construction of a new building providing a reception and administration hub
- construction of a new building providing a resource centre, general learning areas, serviced learning area and student amenities
- decking and canopies to support the use of the new buildings
- enlarging and resurfacing of the existing staff and visitor carpark on Keynes Ave
- landscaping works to complement the school frontage, new carpark and new buildings
- replacement of bitumen
- upgrades to site infrastructure, security and ICT.

This project will provide our students with world-class facilities right here in the local community, and while plans are yet to be finalised, we will continue to provide updates as the project progresses.
