KEYNES AVENUE ROAD WORKS - TRAFFIC MANAGEMENT AND SCHOOL ENTRY

SA Water will carry out works to replace the water mains on Keynes Avenue from this Wednesday 22 February through to Thursday 2 March. Our **Keynes Avenue school kiss 'n' drop, school crossing and main gates will not be accessible** during this period. Students will need to enter/exit the school through either the gates on the eastern end of our staff carpark/admin building, or the WUCS/OSHC gates on the eastern side of our main oval (entry off Morphett Road). If using the Morphett Road entrance, please **do not use the WUCS/OSHC car park as a kiss 'n' drop** - you will need to park in adjoining streets and walk your children in. While this situation will be a major inconvenience for most, the immediate completion of these works is necessary to ensure there are no further delays to our Capital Building project. Crossing monitors and rostered duty staff will be relocated to support students to safely enter and exit the school at the alternative access points - instructions will be provided to student crossing monitors concerned early next week.

Governing Council AGM - 6pm Monday 27 February

With 8 of 14 parent member positions on our school's Governing Council needing to be filled at the upcoming AGM on Monday 27 February, please consider nominating yourself. The council meets twice per term at the school and supports leadership and staff to drive school governance and improvement. Even if you do not want to commit to the council itself, please get along to the AGM and consider putting your hand up for one of our committees (Finance, Canteen, Fundraising, Grounds).

New Reception Parent Picnic

Invites have now gone home for our New Reception Parent Picnic on Friday 3 March from 6pm. The picnic is a great way for new families to connect with those who already 'know the ropes' and helps us to further strengthen our inclusive school community. All new Reception and Year 1 parents and families are encouraged to attend - RSVPs essential to assist with catering and child care logistics. A HUGE thank you to Kimberley Gesti and her small group of volunteer helpers who have done an amazing job pulling the night together. Please contact the school if you are a Reception or Year 1 parent/caregiver and have not yet received your invitation.

Student Ambassadors

Our 2023 Student Ambassador Groups were announced to students this week. These student leaders will play active roles in key projects and responsibilities aligned with their ambassadorial focus areas. Thank you and well done to all students in Years 5 and 6 who took the time to submit an online application.
